- 8.6 Power Dam Special Payment Program

Proposed Motion

WHEREAS in December 2000, the Province of Ontario passed the Continued Protection for Property Taxpayers Act which exempted certain hydro-electric stations, poles and wires from municipal taxation starting in 2001; and

WHEREAS this Act removed the right for the Township of Ear Falls to tax the above noted hydro-electric stations, poles and wires at the Ontario Power Generation facility in Ear Falls; and

WHEREAS the Province of Ontario replaced the ability to tax this facility with a compensatory payment equivalent to the taxes levied on the subject structures in 2000; and

WHEREAS the amount of the payment, provided under the Power Dam Special Payment Program, has been adjusted for the Consumer Price Index in some, but not all, years, but has not kept pace with changes in municipal taxation; and

WHEREAS in July 2014, the Province of Ontario introduced Bill 14, Building Opportunity and Securing Our Future Act (Budget Measures) which proposes to decrease the compensatory payment program for hydro-electric stations, poles and wires by 23.53% by 2017 starting in 2015; and

WHEREAS the above noted changes resulted in an unfair shift in taxation to the remaining assessment base thereby negatively impacting the residents and businesses in the Township of Ear Falls;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Township of Ear Falls urges the Province of Ontario to reconsider the proposed reduction to the Power Dam Special Payment Program due to the negative impact that the reduction will have on municipalities; and
